

High-fidelity prototypes

Annotations - Homepage

"Hjem" = Home

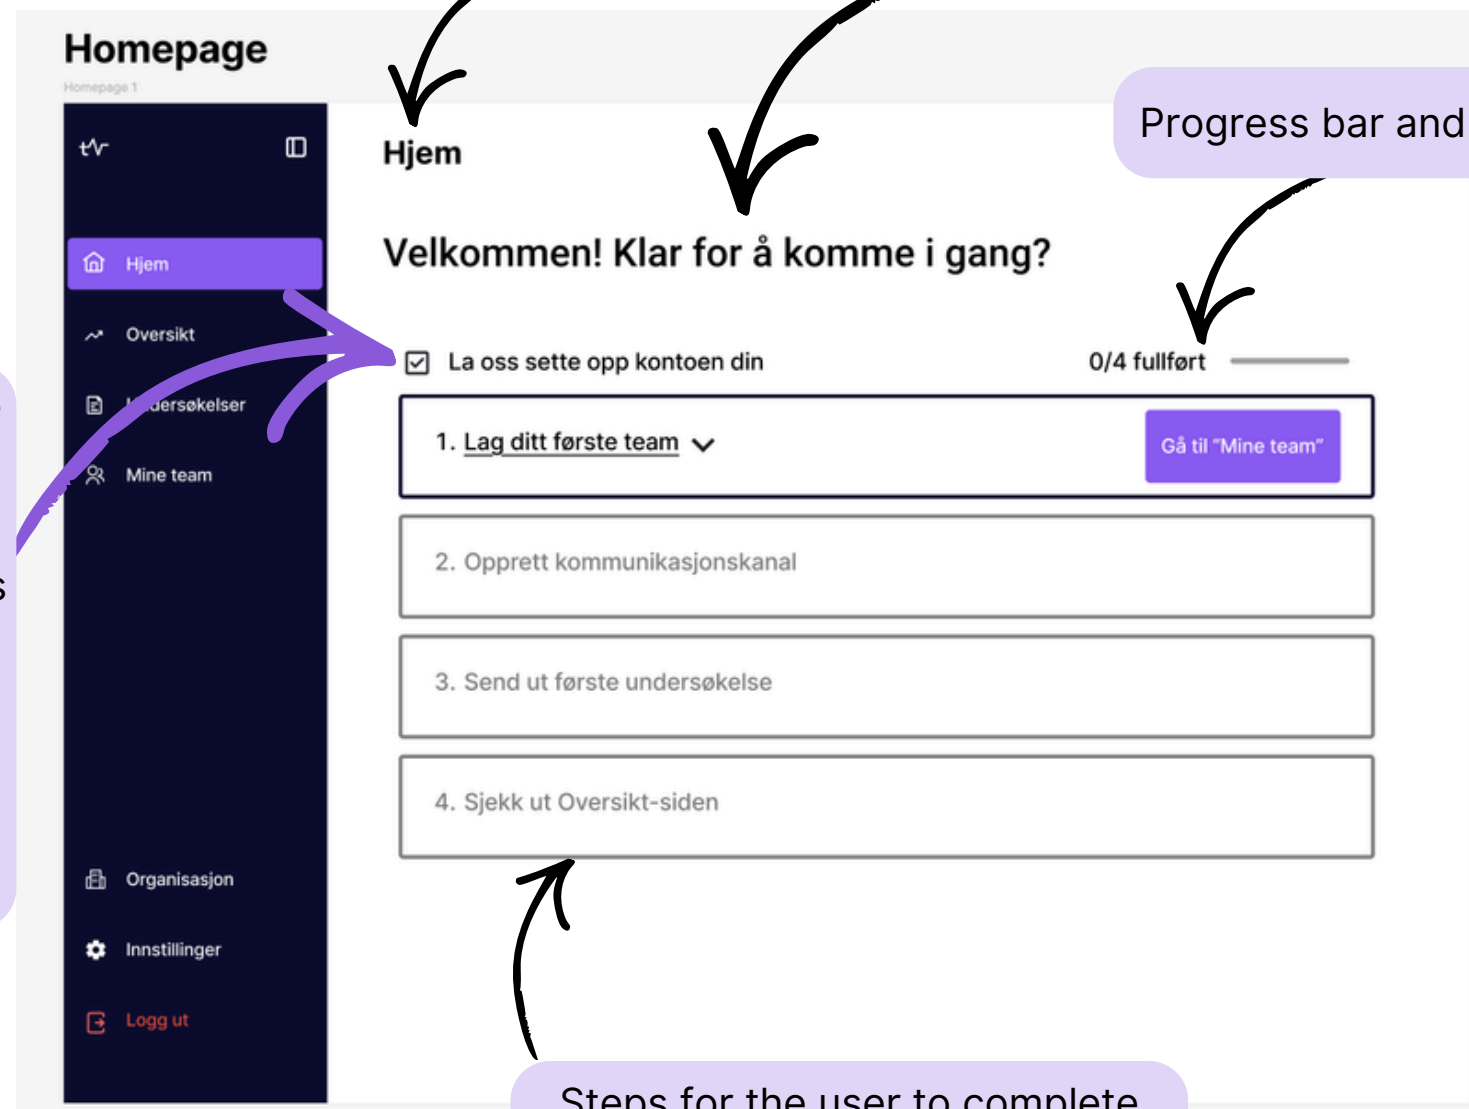

Title with the text
"Welcome! Are you
ready to start?"

Progress bar and text

We added a new page in the side
panel: Homepage

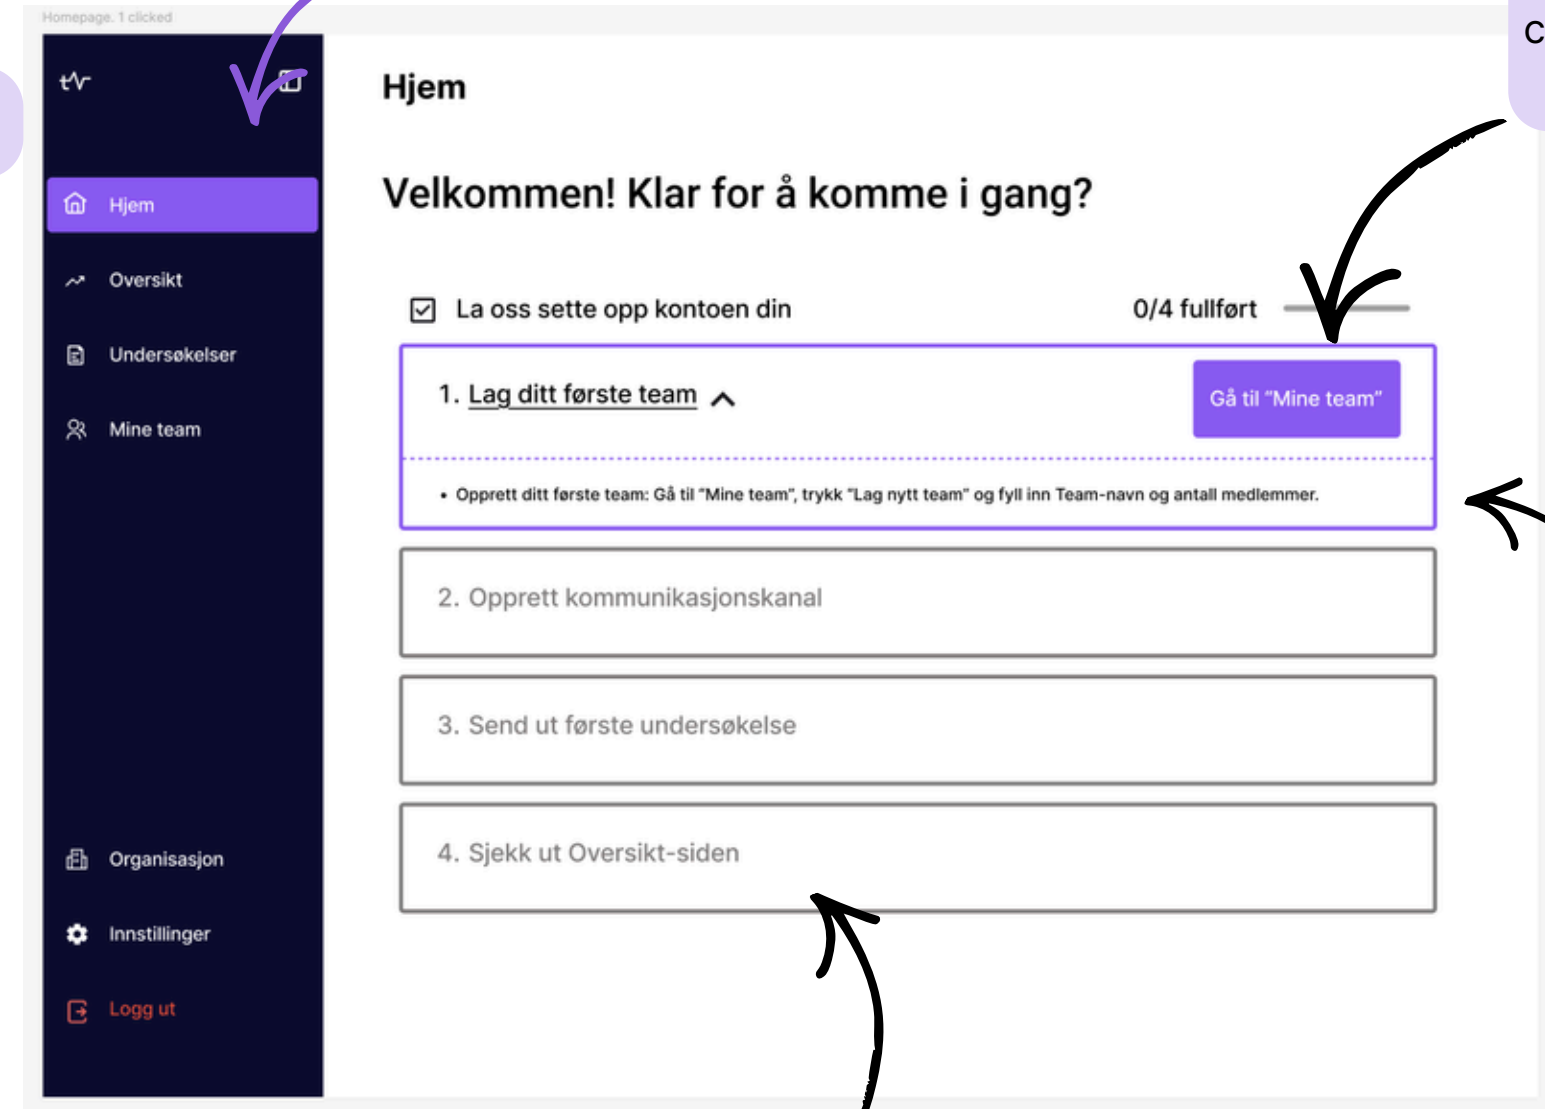

Just one
highlighted button
to show the users
that they have to
complete this step
first

Added the
same
checkbox
icon that is
in the
collapsed
pop-up
modal
checklist

Steps for the user to complete
during onboarding:

1. Create a new team
2. Create a distribution channel
3. Send out your first survey
4. Check out the overview page

We have made the next
steps deactivated, so that
the user don't get confused
about which step to do.

Clickable Drop
down icon feature
to give more
information and
reduce cognitive
overload
